The Property

Located within an established close of similar homes, this three storey semi detached home has been thoughtfully extended and improved by the current owners in their tenure, including adding a single storey extension to the ground floor and en-suite loft room to the upper. Boasting a wealth of space and a delightful setting, this home should appeal to a wide mix of buyers. The guide price represents a 70% share of the property, but the future owner will have the opportunity to staircase to 80% ownership. Rent is payable to the housing association for the remaining share, which includes building insurance, currently £37.34 per month. The property is offered as an 'affordable home', so will remain as such in perpetuity. There is also a 'local connection' covenant within the headlease, meaning that the property must be offered to a qualifying buyer first, but can be sold on the open market if there is no local interest.

For more information about the tenure and local connection, please contact the agent.

Being set back from the road beyond a driveway and mature fore garden, you enter the property via a reception hall, with stairs rising to the upper floor. The kitchen is located to side, has a bank of fitted storage with contrasting worksurfaces over and space for white goods. An inner door then leads to a generous living room, with dedicated zones for relaxed seating and formal dining. There is also a useful utility room off.

To the first floor, a central landing provides access to two good size bedrooms and the family bathroom. There is a further double bedroom to the second floor, with a modern en-suite shower room off.

Externally, there is an enclosed garden to rear, laid mainly to lawn with raised decking and various planted shrubs and trees to the boundary. There is gated access to the side, leading to a block paved driveway.
