The Property

Located in a prime residential setting just south of the river, ideally positioned to take advantage of the countless amenities and attractions available in Stratford upon Avon town centre, this individual detached home has been thoughtfully extended and remodelled throughout by the current owners and now offers a high quality finish and ergonomic layout throughout.

Being set back from the road beyond a generous frontage with in and out driveway, entering the property you are greeted by an inviting reception hall, with cloaks cupboard, WC and personnel door to the garage. There are two reception rooms providing formal seating and dining spaces, both filled with natural light through Velux roof windows and a window or opening doors to rear. This airy feel continues through to an impressive open plan family kitchen dining and living space, which is ideal for those that wish to entertain guests whilst preparing meals. The kitchen itself is well equipped with a range of storage, complimented by a bank of integrated appliances and contrasting granite worksurfaces over. There is also a useful utility room with additional storage and plumbing for white goods.

To the first floor, a central landing with feature glazing to front provides access to four double bedrooms and a well appointed family bathroom complete with a modern white suite and complimentary tiles. The main bedroom enjoys a vaulted ceiling, a bank of fitted wardrobes and a stylish en-suite bath and shower room. The second bedroom also benefits from a walk in wardrobe and en-suite shower room.

Externally, there is a pleasant due south facing garden to rear, laid mainly to lawn with well stocked borders and a paved terrace linking the rear reception rooms and providing the perfect place to enjoy alfresco dining in the summer months. There is also a fully insulated garden room and shed with power and lighting providing a flexible overflow living space. To the front of the property, a block paved driveway provides ample off road parking and access to an oversize garage with sink and outside taps.
