A Home Crafted for Modern Living

This impressive brand new 3/4 bedroom detached home, extending to approximately 2,203 sq ft, showcases exceptional design and attention to detail throughout.

At its heart lies a stunning open-plan kitchen, dining, and family room — an inviting space with a central island and high-quality integrated appliances, perfect for both entertaining and everyday family life. A separate sitting room with a log burner offers a cosy retreat for quieter moments, and a separate study serves as the ideal home working space. An equipped utility and WC completes the ground floor accommodation.

Upstairs, three generous bedrooms each provide comfort and style, with bedrooms one and two featuring ensuite shower rooms and dressing areas, creating luxurious private sanctuaries, while a third double bedroom and flexible playroom / hobbies room, or fourth bedroom provides versatility to suit your lifestyle, are serviced by a principal bathroom.

Step outside from the elegant interior into carefully composed greenery, where paving, planting and perspective work in harmony. Each garden has been designed to reflect the character of its home, balancing privacy and openness with smart use of boundaries and screening.
